

About Us

Our Mission

At Civil Engineering Academy it is our mission to help aspiring Civil Engineers pass their exams and develop the skills to be successful in their careers and in life. We are obsessed with helping you become a professional engineer and find a fulfilling career!

We are excited to help you by providing you with the best resources and material to ace your exams. We work hard to make sure our exams meet the current specifications and are life-like to the real exam. Our courses were built from the ground up to give you just what you need to ace your exams, and our support is the best you can find. We also provide coaching to further help you with your career including polishing up your resume, creating the perfect cover letter, or standing out with your LinkedIn profile.

Helping You On Your Journey To Become A Professional Engineer

[Services](#)

Welcome To Civil Engineering Academy!

Our mission at CEA is to help you on your journey to becoming a professional engineer. In doing this, our main goal is to help you prepare, take, and pass the National Council of Examiners for Engineering and Surveying (NCEES) Civil FE and PE exams. We'll even help you afterward by providing tips, tools, and resources to launch your civil engineering career!
